'Cos I don't know if you want me
But I know that I want you

Physical attraction
Physical attraction

You say that you need my love
And you wanting my body, I don't mind
Baby all I got is time
And I'm waiting to make you mine

You say you wanna stay the night
But you'll leave me tomorrow, I don't care
All of your moves are right
We can take it anywhere

This physical attraction
A chemical reaction, yeah
A physical attraction
Sweet satisfaction, yeah

Trying hard to get away
But I can't seem to fight the way I feel
Even thought you're nto for real
Your touch is driving me

Crazy and when you smile
It's just making me want you more and more
Baby won't you stay a while?
It could be such a fantasy

This physical attraction
A chemical reaction, yeah
A physical attraction
Sweet satisfaction, yeah

Physical attraction
What are you going to do?

Physical, physical
I wanna get physical
Let's get into physical

Let me hear your body talk, your body talk
Let me hear your body talk

Let's get physical, physical
I wanna get physical
Let's get into physical
Let me hear your body talk, your body talk
Let me hear your body talk

I wanna get physical, physical
I wanna get physical
Let's get into physical
Let me hear your body talk
Let's get into physical attraction
Let's get into physical attraction
Let me hear your body talk (x3)

Physical attraction
'Cos I don't know if you want me
But I know that I want you

Physical attraction (x2)
What are you gonna do?
Physical attraction (x2)
