She's in a bikini with a martini  
A goddess in a Fellini  
Takin' every kind of pill

He's wearin' Armani in his Ferrari  
Gettin' loaded off her body  
Rollin' hundred dollar bills  
But the thrill can kill

The thrill can kill

She's drivin' to Vegas in her Mercedes  
On the weekend gettin' crazy  
Givin' every kind of thrill

She's in her Dior Haute Couture  
Spendin' money hardcore  
And daddy's got the bill  
But the thrill can kill

Everybody wants a thrill  
It tastes so good it makes you ill  
No one's gonna make you stop  
Everybody's havin' fun  
Dancing with a loaded gun  
No one's gonna make you give it up

The thrill can kill

She's walkin' the runway in every city  
Gettin' paid to be too skinny  
Givin' looks to kill

He's getting head inside of a limo  
Holdin' on to her stilettos  
Spendin' hundred dollar bills  
But the thrill can kill

Everybody wants a thrill  
It tastes so good it makes you ill  
No one's gonna make you stop

Everybody's havin' fun  
Dancing with a loaded gun  
No one's gonna make you give it up

The thrill can kill

Ooh ooh ohh  
Rollin' hundred dollar bills  
But the thrill can kill

But the thrill can kill

Everybody wants a thrill  
It tastes so good it makes you ill  
No one's gonna make you stop  
Everybody's havin' fun  
Dancing with a loaded gun  
No one's gonna make you give it up

The thrill can kill  
Everybody wants (wants) a thrill  
Everybody wants (wants) a thrill  
Ooh ooh ooh  
The thrill can kill

Rollin' hundred dollar bills  
But the thrill can kill

The thrill can kill  
The thrill can kill
