(Steele)

I want you dead
I want you dead
I want you dead
I want you dead
Yeah, girl it turned that I was a fool
All those things they said about you were true
I tried to do the best I could do
Now I want to do away with you
I want you dead
I want you dead
I want you dead
I want you dead
Yeah, girl it turned that I was a fool
All those things they said about you were true
I tried to do the best I could do
Now I want to do away with you
I want you dead
I want you dead
I want you dead
I want you dead
When you lay down to sleep
You pray the lord your soul to keep
But when you lay down to die
Remember, all those times you made me cry
I want you dead
I want you dead
I want you dead
I want you dead
I want you dead
I want you dead
I want you dead
I want you dead
