Girl, you'll be a woman soon

I love you so much, can't count all the ways
I've died for you girl and all they can say is
"He's not your kind".
They never get tired of putting me down
And I'll never know when I come around
What I'm gonna find - Don't let them make up your
mind
Don't you know...

CHORUS:

Girl, you'll be a wome soon
Please, come take my hand
Girl, you'll be a women soon
Soon, you'll need a man

I've been misunderstood for all my life
But what they're saying girl it cuts like a knife
"The boy's no good"
Well, I've finally found what I'm looking for
But if they get their chance they'll end it for sure
Surely would - Baby I've done all I could
Now, It's up to you...

CHORUS (x2)
