every part of me is a tragedy
It's like a poison in my veins
I'd shut and get away
I'd shut my eyes and say,
There's nothing wrong with me

Chorus:

I'm just emotional, a little unstable
I'm the reason that I can't succeed
I'm disposable and forgettable
No one understands me
I'm picking up the pieces
trying to find a reason
Why I'm, starting to believing in
everything is broken
ow ow ooowh
All I have is open
Everything is broken
Everything is broken
Everything is broken

I tried to live and learn
I always end up hurt
I blame myself for this
I'm high on self-esteem
Be all that I can be
It's not enough to fill the emptiness

Chorus:

I'm just emotional, a little unstable
I'm the reason that I can't succeed
I'm disposable and forgettable
No one understands me
I'm picking up the pieces
trying to find a reason
Why I'm, starting to believing in
everything is broken
ow ow ooowh
All I have is open
Everything is broken
Everything is broken

you, you can't blame me (4x)

I'm picking up the pieces
trying to find a reason
Why i'm, starting to believing in
everything is broken
ow ow ooowh
All i have is open
Everything is broken (4x)
broken (3x)
