(Music: DirkschneiderKaufmannWienhold - Words:

I don't wanna be another retro-man

I don't wanna be no part of your plans

I don't wanna be no diamond king

I just wanna pull the detonation pin

I won't give up a life of sin

You'll never tame the beast within

You can't abuse what I've got in here

My animal instinct is what you fear

And I howl - and I prow!

I am a raptor in time

And I howl - and I prow!

I am unbroken - creature of the wild

I've got an animal instinct

I've got an animal instinct

I don't wanna lead nor even dominate

Not a top-dog leader that only devastates

You know I'm free and I stand so proud

My animal anger - I shout it aloud

[Bridge]

[Chorus]

Animal - animal - animal - animal - instinct

Animal - animal - animal - animal - instinct

[Chorus]
