(Music: DirkschneiderKaufmannGianola - Words:

I played the game - I broke the rules

The truth is always cruel

It's not for me to win or lose

This one will be on you

Sometimes it's hard to be tough

And play this way so rough

I give it straight - you know why

I want it all - I'll take it all

I don't know why - don't wanna hide

Don't want forever lie

Now it's time for all of us

So let's break free

No matter what you say

You know it's hard to be honest

It's hard not to lie

You know it's hard to be honest

It's hard not to lie

All hail the truth and damn the lies

There's so much we can do

Now it's on you to deal the cards

The joker breaks the rules

So take a look at what you see

The mirror never lies

The time has come to say farewell

So leave it all behind you all

[Bridge]

[Chorus]

No matter how - you found it out

It's time to give the truth

I've seen it all - in black or white

The hardest thing to do

[Bridge]

[Chorus]
