We're straining at the leash  
We smell the human meat  
The only way for us to go

The order of the pack  
Command is kill - attack  
Obey the master's law

Bad temper rules our minds  
The hunt is on this time  
We can't wait  
No way to stay alive  
The prey is finalised  
It's total genocide

We're on the manhunt - we keep on pushing  
We're on the manhunt  
We're on the manhunt - we keep on pushing  
We're on the manhunt

We train our deadly pride  
No way for man to hide  
We're always aiming for your neck

This is your final day  
Just believe and pray  
We're feasting on your eyes

Bad temper rules our minds, ...

We're on the manhunt - we keep on pushing  
We're on the manhunt  
We're on the manhunt - we keep on pushing  
We're on the manhunt - this ain't no suicide

We're on the manhunt, ...

What is the victim's face - not us who's wrong  
The terror of the chase - can't be undone  
We turned the game around - not us who's wrong  
You made us go to ground - can't be undone

We're on the manhunt, ...

We're on the manhunt - we keep on pushing

We're on the manhunt - this ain't no suicide

We're on the manhunt - we keep on pushing

We're on the manhunt - try to hide - no way to run
