Miles from home  
So many things go 'round  
So far - the fight in me so strong

Years of pain  
I've suffered all the same  
Today - I know I will be near

You talk about romance  
You blew your only chance

'cause you're a two faced woman  
But I'm a three faced man  
'cause you're a two faced woman  
I got a hangman's hand

Dirty tricks  
I found out just in time  
Enough - don't dare to cross the line

You - you fooled around  
I found a way out  
The tables turned - your bridges burned

You talk about romance  
You blew your only chance

'cause you're a two faced woman  
But I'm a three faced man  
'cause you're a two faced woman  
I got a hangman's hand

'cause you're a two faced woman  
But I'm a three faced man  
'cause you're a two faced woman  
You'll live in nightmare land

Payback time - spin the dime  
The balance overdue  
Payback time - take a hike  
You broke the golden rule

'cause you're a two faced woman  
But I'm a three faced man  
'cause you're a two faced woman  
I got a hangman's hand

'cause you're a two faced woman  
But I'm a three faced man  
'cause you're a two faced woman  
You'll live in nightmare land
