Blue moon

You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue moon

You knew just what I was there for
You heard me saying a prayer for
Some one I really could care for

And then you suddenly appeared before me
The only one my arms could ever hold
I heard somebody whisper please adore me
And when I looked, the moon had turned to gold

Blue moon

Now I'm no longer alone
Without a dream in my heart
Without a love of my own
