You laughed at me, I laughed at you
You said that you already knew
You looked at me, I looked at you
And there was nothing I could do
What to do after all you put me through?

Ooh, ooh, ooh, ooh, ooh

You're hypnotic when you touch
Your hypnosis is too much
And you burn me with your hypnotistic fire
You're hypnotic when you fee
Your hypnosis is too real
And I hope you're not a hypnotistic liar

You captured me, I fell for you
Now I've got nothing left to lose
You walked on me, I let you do
Whatever you must put me through, put me through
Now what have I done to you?

Ooh, ooh, ooh, ooh

You're hypnotic when you touch
Your hypnosis is too much
And you burn me with your hypnotistic fire
You're hypnotic when you fee
Your hypnosis is too real
And I hope you're not a hypnotistic liar

You're hypnotic when you touch
Your hypnosis is too much
And you burn me with your hypnotistic fire
You're hypnotic when you fee
Your hypnosis is too real
And I hope you're not a hypnotistic liar

You're hypnotic when you touch
Your hypnosis is too much
And you burn me with your hypnotistic fire
You're hypnotic when you fee
Your hypnosis is too real

And I hope you're not a hypnotistic liar

You're hypnotic when you touch

Your hypnosis is too much

And you burn me with your hypnotistic fire

You're hypnotic when you fee

Your hypnosis is too real

And I hope you're not a hypnotistic liar
