Some people like to rock
Some people like to roll
But moving and a-grooving gonna satisfy my soul
Let's have a party.
Whoa, let's have a party
Send them to the store let's buy some more
Let's have a party tonight.

I've never kissed a bear
I've never kissed a 'coon
But I shake a chicken in the middle of the room
Let's have a party.
Whoa, let's have a party
Send them to the store let's buy some more
Let's have a party tonight.

Break

Honky Tonky Joe

Is knocking at the door
Bring him and fill him up and send him on the floor.
Let's have a party.
Whoa, let's have a party
Send them to the store let's buy some more
Let's have a party tonight.

The meat is on the stove
The bread is getting hot
Everybody come and take a part of mamma's shot
Let's have a party.
Whoa, let's have a party
Sending him to the store let's have some more
Let's have a party tonight.

We're gonna have a party tonight.
