Sweet, little Moonshine Sally
I've got your picture on my wall
You live in Tukuloe Valley
Beside the firewater fall

And every night I hear you call
From beneath the water fall
On the night of the magic moon
I hear you call

Hey, hey, hey I want to take you
Don't want to make you
Live with me in Tukuloe Valley

Hey, hey, hey hear me calling, magic's falling
All around Moonshine Sally
Moonshine Sally from Tukuloe Valley

They talk of voices in the valley
They say that here the moon runs high
They say they'll hear no more of Sally
When the magic waterfall runs dry

Still every night I hear you call
From the magic waterfall
In the night of the magic moon
I hear you call

Hey, hey, hey I want to take you
Don't want to make you
Live with me in Tukuloe Valley

Hey, hey, hey hear me calling, magic's falling
All around Moonshine Sally
Moonshine Sally from Tukuloe Valley

Sweet, little Moonshine Sally
I've got your picture on my wall
You live in Tukuloe Valley
Beside the firewater fall

And every night I hear you call

From beneath the water fall
On the night of the magic moon
I hear you call

Hey, hey, hey I want to take you
Don't want to make you
Live with me in Tukuloe Valley

Hey, hey, hey hear me calling, magic's falling
All around Moonshine Sally
Moonshine Sally from Tukuloe Valley
