I said, "Hey you guys, look who's waiting outside"
Well, she's got style, you can see it in her feline eyes
When she starts moving, you sure can tell
When she starts shaking, she's raising hell
I said, "Hey you guys, look who's waiting outside"

You remember how she left that floor on a Saturday
night
The cat's footloose and she darned near, started a
fight
Well, she may have been flashing like a neon sign
But you can't touch her 'cause she's mine, all mine
I said, "Hey you guys, look who's waiting outside"
Let her in

And then the cat crept in, swinging her tail
And then the cat crept in, swinging her tail
Just open up the door to that high heeled paw
I said the cat crept in, we crept out again
I said the cat crept in and we crept out again

I said, "Hey you guys, can you hear that alley cat cry?"
She ain't superstitious but she's hanging on to life
number nine
Well, you may not show it but she hides in the light
And she may not show it but this cat can bite
I said, "Hey you guys, look who's waiting outside"
Let her in

And then the cat crept in, swinging her tail
And then the cat crept in, swinging her tail
Just open up the door to that high heeled paw
I said the cat crept in, we crept out again
I said the cat crept in and we crept out again

Well, she's got style, you can see it in her feline eyes
Well, she may have been flashing like a neon sign
But you can't touch her 'cause she's mine, all mine
I said, "Hey you guys, look who's waiting outside"
Okay, let her in

And then the cat crept in, swinging her tail

And then the cat crept in, swinging her tail
Just open up the door to that high heeled paw
I said the cat crept in, we crept out again
I said the cat crept in and we crept out again

And then the cat crept in, swinging her tail
And then the cat crept in, swinging her tail
Just open up the door to that high heeled paw
I said the cat crept in, we crept out again
I said the cat crept in and we crept out again

And then the cat crept in, swinging her tail
And then the cat crept in, swinging her tail
Just open up the door to that high heeled paw
I said the cat crept in, we crept out again
I said the cat crept in and we crept out again
