You don't know how you met me, you don't know why
You cant turn around and say good-bye
All you know is when I'm with you, I make you free
And swim through your veins like a fish in the sea

Chorus:

I'm singin' follow me everything is all right
I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You wont find nobody else like me

I'm not worried 'bout the ring you wear
Cuz' as long as no one knows than nobody can care
You're feeling guilty and I'm well aware
But you don't look ashamed and baby, I'm not scared

Chorus

Wont give you money, I can't give you the sky
You're better off if you don't ask why
I'm not the reason that you go astray and
We'll be all right if you don't ask me to stay

I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You wont find nobody else like me

Don't know how you met me, you don't know why
You can't turn around and say good-bye
All you know is when I'm with you, I make you free
And swim through your veins like a fish in the sea
