DrSns: Wake up! It's late!
It's twenty minutes after eight
Everyone get up; it's time to go
Up and at 'em now
Come on; shake a leg
Have some juice and scrambled egg
On the floor and out the door
Let's get on our way.

Dot : Hey, watch out!
Yakko: What's the matter?
Dot : You almost knocked me off the ladder
Yakko: No I didn't
Dot : Yes you did; I almost fell
Yakko: Don't exaggerate
Dot : I'm not
Yakko: Yeah, right
Dot : Are you trying to pick a fight?
Yakko: Will you get out of my face?!
Dot : Well, you're always in my space
DrSns: Hey get off each other's case
Because we're trying to get along.

Wakko: I want pancakes
Or a waffle

Is that all we've got?
Can't find my clothes
And I need to blow my nose
And my socks are full holes
And my shoelace has a knot.

Dot : That's my toothbrush
Yakko: No it's not
Dot : Well, it's sitting in my slot
Yakko: No it isn't; this is mine and that one's yours
Dot : Well, you're standing in my way
Yakko: Yeah, that's tough
DrSns: Alright now that's enough
Everybody get your stuff
Because we're going out the door.

DrSns: Every time we get into the car
It's so much work
It takes us twenty minutes
While you're driving me berserk
With your playing und your jumping
Und your running all about
When I finally get you inside
You always lock me out!

Dot : I'm mad, I'm mad
I'm really, really, really mad
You poked me with your elbow in my side
Yakko: No I didn't!
Dot : Yes you did
Yakko: Nuh-uh
Dot : You did
And I'm just a little kid-a
