I've been wasting all my time
and i've been drinking all that wine
and i've been drinking all that beer
and i've been shedding all these tears

I cant go and you cant stay
your not gonna take me out that way
because you cant take me
i said
you cant take me
no you cant take me anywhere i dont wanna go
I've been down this road before
and i just cannot care no more
i cant see what you can see
i'm to busy being me

See i cant go and you cant stay
your not gonna take me out that way
because you cant take me
i said
you cant take me
no you cant take me anywhere i dont wanna go

I dont need to save no face
and i cant wait to leave this place
i've been fooled by lesser things
and i dont care what tomorrow brings

See i cant go and you cant stay
your not gonna take me out that way
because you cant take me
i said
you cant take me
no you cant take me anywhere i dont wanna go
no you cant take me anywhere i dont wanna go
