

## Undersea Poem "You You You"

Like a perfect wave  
You came along  
And you saved me  
The perfect gift  
It was you  
That you gave me

You opened my window  
And let the sun shine on me  
And you spread your love  
Like the sun  
Shine on me

You arose every morning  
So bright  
And went to sleep  
Happily at night  
You taught me more about myself  
Than anybody else  
And I know one thing is true  
That baby, Iâ€™ll never leave you

You opened my window  
And let the sun shine on me  
And you spread your love  
Like the sun  
Shine on me
