You wanna know how it feels to be a star?  
You wanna know how it feels to be alive?  
You wanna know how it feels to be a liar?  
You wanna know how it feels to be on fire?  
You gotta love what's on your mind  
You gotta love what's deep inside  
You gotta love what's in your vein  
You gotta love what's in your brain  
A little kiss for you, my Darling Darling  
A little fix for you, my Darling Darling  
You wanna know how it feels to be on crack?  
You wanna know how it feels to be a fag?  
You wanna know how it feels to be a sucker?  
You wanna know how it feels to be a loser?  
You gotta love whats on your mind  
You gotta love whats deep inside  
You gotta love whats in your vein  
You gotta love whats in your brain  
A little kiss for you my Darling Darling  
A little fix for you my Darling Darling  
Gimme a fix,  
And a kiss,  
And my sleeping pill  
Gimme a fix,  
And a kiss,  
My Darling Darling  
Gimme some wine,  
And a line,  
My Darling Darling  
I wanna, I wanna, I wanna...  
You wanna know how it feels to be a prick?  
You wanna know how it feels to be a prick?  
You wanna know how it feels to be a whore?  
You wanna know how it feels to be a fucker?  
You gotta love whats on your mind  
You gotta love whats deep inside  
You gotta love whats in your vein  
You gotta love whats in your brain  
A little kiss for you my Darling Darling  
A little fix for you my Darling Darling  
  
You gotta love whats on your mind

You gotta love whats deep inside  
You gotta love whats in your vein  
You gotta love whats in your brain  
MOTHER FUCKER!  
MOTHER FUCKER!  
MOTHER FUCKER!
