Have you ever been mistreated, and you know what I'm  
talkin' about  
Have you ever been mistreated, and you know what I'm  
talkin' about  
Now you know I work five long years for one woman,  
she had the nerve to put me out  
I finally learned a lesson, you know a long long time  
ago  
I finally learned a lesson, you know a long long time  
ago  
The next woman that I marry, she got to work and bring  
me some dough  
Yes I been mistreated, you know what I'm talkin' about  
Yes I been mistreated, you know what I'm talkin' about  
Now you know I work five long years for one woman,  
she had the nerve to put me out  
She had the nerve  
She had the nerve  
She had the nerve to put me out
