Have you ever been walking, walking down that old
lonesome road?
Have you ever been walking, walking down that old
lonesome road?
No place to go, whee well brown no place to room and
board
Things look so lonesome, down that road ahead
Things look so dark, down that road ahead
Been thinkin' of the way you livin', whee well boy and
what your mother said
Things look so lonesome, when you ain't got a shelter
over your head
Things look so lonesome, when you ain't got a shelter
over your head
When you could have been at home, whee well boy
sleepin' in a feather bed
