Mamie, don't you hear me call your name  
Oh Mamie, don't you hear me calling your name  
Well Mamie I wanna see you so bad little girl,  
Till I don't know what to do

Mamie, won't you please shake my hand  
Oh Mamie, Mamie, won't you please shake my hand  
Well I love you so hard Mamie,  
and you know I just can't explain

Mamie, won't you come and kiss me goodbye  
Oh Mamie, Mamie, why don't you come and kiss me  
goodbye  
Well you know I hate to see you leave me little girl,  
You know you gonna make me cry

Mamie, you got me down on my bended knees  
Mamie, you got me down on my bended knees  
Well little girl I hate to see you leave me, you hear me?  
That's why I'm beggin you please, please
