Oh you know it has been such a hard hard journey, I  
don't have to cry no more  
Keep your light up burnin', so I can know the score  
I got one more mile, oh you know I only got one more  
mile to go  
Oh you know my journey was so hard,  
But I don't have to worry 'bout you no more  
Oh you know they tell me that thousands of schoolkids,  
every one have a mate  
The little girl that I love, she the richest in the state  
I got one more mile, oh you know I only got one more  
mile to go  
Oh you know my journey has been so hard,  
But I don't have to worry 'bout you no more  
- solo -  
Oh you know I made a mistake for gamblin', I betted  
my money wrong  
I was bettin' on my baby, but she weren't even at home  
I got one more mile, oh you know I got one more mile to  
go  
Oh you know it has been such a long journey,  
But I don't have to cry 'bout you no more.
