Well I've been workin' on the high line, baby, all day  
and night  
Yes, I've been workin' on the high line, baby, all day  
and night  
I got a streamline woman. She makes my electro kick  
off right

Well now, if you want to be my little girl,  
You said you really wanna be in the mood  
You'd mind me to so proper, when you're blue

Child I've been workin' on the high line, baby, all day  
and night  
You know you're my streamline woman. You make my  
electro kick off right  
What kind of woman is that? All right, man

Well now, you know I want you to pull down your  
windows, baby  
Pull down your window blinds, so your next door  
neighbor, little girl  
Won't hear that old troubadour whine
