I went down 13 Highway, drivin' a brand new V8 Ford  
I went down 13 Highway, drivin' a brand new V8 Ford  
Oh you know I was drivin' so fast, baby I couldn't hardly  
see the road  
Oh I was drivin' 60 miles an hour, all up and down the  
hill  
Oh you know I was drivin' 60 miles an hour, all up and  
down the hill  
Oh you know I was speedin' so fast, I couldn't hardly  
control my wheel  
(solo)  
Don't the highway look lonesome, after the sun done  
gone down  
Oh don't the highway look lonesome, after the sun  
done gone down  
Oh you know you're all alone by yourself, there ain't  
nobody else around
