This is a good street
We never walked it
You never held my hand
As we crossed it
We never stopped
Along here
To light a cigarette
This is a good street

This is a good house
It wasn't our home
It never scuffed you
Here on this threshold
I never waited for you
By the window
This is a good house

This is a good room
You never slept here
You can't betray
The faith
That is kept here
And then no more tears
Will be wept here
This is a good room

This is a good bed
We never laid here
You can't erase the love
That was made here
And a love that's love
Will not fade here
This is a good bed

This is a good heart
And you can't take it
You can bend it
Bruise it and shake it
But no my dear
You can't break it
This is good heart

This is a good bed
Tis is a good room
This a good house

This is a good street
This is a good street
This is a good street
