I wonder who, gonna be your sweet man when I'm gone?
I wonder who, gonna be your sweet man when I'm gone?
I wonder who you're gonna have to love you?
Cause I won't ever stay at home.
Who's that yonder come walkin, down the street?
She's the most beautiful girl any man would want to meet.
I wonder who, gonna be your sweet man when I'm gone?
I wonder who you're gonna have to love you?
Because I won't ever be at home.
You know I once have woulda married you?
But, you, you married too soon.
I don't have no more break, darlin.
I'll see you after your honeymoon.
I wonder who, gonna be your sweet man when I'm gone?
You know I ain't never gonna love you?
Because I won't ever stay at home.
