I walk  
Like I don't have somewhere to be.  
But I know  
Of a place where we all can meet.  
They say  
That I can't keep foolin' myself.  
So let's hang out and kick it  
Cuz we don't need nobody else.  
Uh huh.

Just like we learned it  
You turned me on.  
Don't need rehearsin'  
Cuz it feels so good.

Follow the sound  
Don't you know that happiness is calling on you?  
Follow the wires  
That connect us like a vein to carry through.  
Oh I know that believing is the hardest thing to do.  
So follow the sound  
Cuz you know that happiness is waiting for you.

Sometimes  
Well I worry that I think too much.  
So I drink  
Cuz it eases my pain just enough.  
Oh I walk  
How I say I will and that's it.  
So don't think that I'm slippin'  
Cuz I know what I'm all about.

Over and over  
You've turned me on.  
Just like I told ya  
Yeah it feels so good.

Follow the sound  
Don't you know that happiness is calling on you?  
Follow the wires  
That connect us like a vein to carry through.  
Oh I know that believing is the hardest thing to do.

So follow the sound  
Cuz you know that happiness is waiting for you.
