Well I'm here
Just crippled by my fear
Just thinkin of you and me
Not together.

And sometimes
I get troubled in my mind
Like you're already gone
and I'm walkin the back roads.

But it's ok
Cause I'm not scared to meet my fate.
Yeah it's ok
Cause I'm not losing now.

I could offer you my hand
So won't you come with me
Believe that I could treat you right.
And I could offer you my home
So settle down baby
So I can fall asleep tonight.

Later on
After years and years have gone
We could move away
To some place in the pines.

And I know
That no matter where I go
If you're there with me
I'd gladly spend my whole life.

But it's ok
Cause I'm not scared to meet my fate.
Yeah it's ok
Cause I'm not losing now.

I could offer you my hand
So won't you come with me
Believe that I could treat you right.
And I could offer you my home
So settle down baby

So I can fall asleep tonight.
