Life has been easy
It's been handed down.
The world is a place you
Don't know that well.

It's always surrounded
What's going on?
Everything you live for
Is now going wrong
No oh

Chorus:
You have
Everything i'd ever need,
But you can't offer me anything.
I'm happy here living my dreams
'Cause I am who I wanna be.

Looking for something
But you don't know what.
'Cause all you've ever known is
All that you've got.
Everything is changing
What's going on?
The life that you knew
Now is suddenly gone
No oh

You have

Everything i'd ever need,
But you can't offer me anything.
I'm happy here living my dreams
'Cause I am who I wanna be.

All your life you wondered
Where you belong.
It's always surrounded.
All you live for is going wrong.

Life has been easy
You've had it all.

Slowly surrounded
What's going on?
Everything is changing
It's all going wrong,
The life that you knew
Now is suddenly gone.
Gone

You have
Everything i'd ever need,
But you can't offer me anything.
I'm happy here living my dreams
'Cause I am who I wanna be.
