let's kick it
oh oh oh oh
ma-ma-ma-make yourself comfortable
make yourself
at home
you're not alone when you're sick and tired
of being lied to
don't you dare give in
cause your alliance is here to help you

no regrets and no remorse
gotta show 'em that they are the one
desperate times
call for desperate measures
so god knows
let's go get it

we'll never stop evolution
so tonight to start a revolution
put yourself into the right state of mind
so sit back relax
cause right now it's showtime

revenge is priority
it's not to 'boo'
kick kick it
i wanna get my all that
it's not that i haven't moved on
it's just that no one
should feel the way i felt, from you

no regrets and no remorse
gotta show 'em that they are the one
desperate times
call for desperate measures
so god knows
let's go get it

we'll never stop evolution
so tonight let's start a revolution
put yourself into the right state of mind
so sit back relax

cause right now it's showtime
let's kick it

ladies and gentlemen
it's time to overthrow
that's why we're here at the floorshow
put yourself into the right state of mind
so sit back relax
cause right now it's showtime

oh
yeah yeah yeah yeah
oh
yeah yeah
oh
let's kick it

ladies and gentlemen
it's time to overthrow
that's why we're here at the floorshow
put yourself into the right state of mind
so sit back relax
cause right now it's showtime
let's kick it

we'll never stop evolution
so tonight let's start a revolution
put yourself into the right state of mind
so sit back relax
cause right now it's showtime

(fade out)
ladies and gentlemen
it's time to overthrow
that's why we're here at the floorshow
put yourself into the right state of mind
so sit back relax
cause right now it's showtime
