Pop, pop, pop  
Pop, pop, pop

I hate to say it but they play  
This dance song in every club  
But it's me, so I'll show love  
But it's me, so show me love

And when I walk into the room people stop and stare  
It's like nobody else is there  
You know it's me, not you  
Who said anything about you?

Boys and girls pretend to know me, they try so hard  
And I get what I want, my name is my credit card  
Don't try to hate me because I am so popular  
Pop, pop, popular  
Pop, pop, popular

Most guys I dated got intimidated  
So now I date up  
If you know what it means, so they shut up  
If you know what it means, so just shut up

'Cause I don't wanna give half away  
On the date we don't make up  
If you know what I mean when we wake up  
If you know what I mean when we break up

Boys and girls pretend to know me, they try so hard  
And I get what I want, my name is my credit card  
Don't try to hate me because I am so popular  
Pop, pop, popular

You always wanna be around me  
So you know what it's like  
When the world is at your feet  
And you're VIP tonight

You've either you got it or you don't  
And I'm sorry you won't  
Get there by using me

Just go and do your own thing

Pop, pop, pop, pop  
Pop, pop, pop, pop

Boys and girls pretend to know me, they try so hard  
And I get what I want, my name is my credit card  
Don't try to hate me because I am so popular  
Pop, pop, popular

Boys and girls pretend to know me, they try so hard  
And I get what I want, my name is my credit card  
Don't try to hate me because I am so popular  
Pop, pop, popular

Pop, pop, popular  
Pop, pop, popular  
Pop, pop, popular  
Pop, pop, popular
