It's 3 AM, i start to cry, i'm alone again
I tried so hard not to fall in love, but here i am
And you couldn't even pretend
That you care if this was the end?

All the things you said to me wont even matter,
Do what you want, cuz I'm not gonna save you baby,
what's goin' on?
We don't care, we don't fight, we don't even know
what's wrong or right baby, What's goin' on?
What's goin' on?

There's nothing else i can say, what can i do?
We might have worked out someday, but it takes two
And you couldn't even pretend
That you care if this was the end?

All the things you said to me wont even matter,
Do what you want, cuz I'm not gonna save you baby,
what's goin' on?
We don't care, we don't fight, we don't even know
what's wrong or right baby, What's goin' on?
What's goin' on?

And i couldn't even pretend that i care if this is the end

All the things you said to me wont even matter,
Do what you want, cuz I'm not gonna save you baby,
what's goin' on?
We don't care, we don't fight, we don't even know
what's wrong or right baby, What's goin' on?
What's goin' on?
But here I am...
