As the darkness begins
It will swallow me in
When the sun comes around
I don't want to come down

From the edges within
I'll be paying for them
When the sun comes around
Now the suns come..around

Oh, yeah!
Can someone put me back together?!
'Cause now I'm falling apart.
Oh, yeah!
The silence seem to last forever!
It's when you're falling apart.

Will i know that it's wrong
But I'm not very strong
When the sun comes around
I don't want to come down
As my ends coming clear
As I face all my fear
Now I want to come down
Now I want to.. come..down

Oh, yeah!
Can someone put me back together?!
'Cause now I'm falling apart.
Oh, yeah!
The silence seem to last forever!
It's when you're falling apart.

And it's life that I'm knowing to well
No one cares I'm alone in this hell
This is my last goodbye and farewell
And I know and i know it to well

Oh, yeah!
Can someone put me back together?!
'Cause now I'm falling apart.
Oh, yeah!

The silence seem to last forever!
It's when you're falling apart.

Oh, yeah!
Can someone put me back together?
'Cause now I'm falling apart.
Oh, yeah(I'm losing everything)
(I'm losing everything)
The silence seem to last forever!
(I'm losing everything)
It's when you're falling apart.

Yeah..
'Cause now I'm falling part..
And I know it
I know it too well...
