shoot james brady in the back

raise an army of rabid rats

beat your neighbor with a bat

anarchy burger

hold the government

anarchy burger

hold the government

anarchy, go ape shit

let them know your sick of it

write your congressman,

tell him he sucks, your only in it for the bucks

anarchy burger

hold the government

anarchy burger

hold the government

you're all potential anarchy burgers

if you want to be free

order yourself an anarchy burger

(hold the government, please)

anarchy burger

hold the government

America stands for freedom

but if you think you're free

try walking into a deli

and urinating on the cheese

anarchy burger

hold the government

anarchy burger

hold the government

say fuck in front of your mom

fuck!

and

go to school naked
