Drowning in this toilet of shit that they call life.
Work like hell at Taco Bell for \$4.25 an hour.
No one gives a squirt of piss if you fucking die.
So seize the day by the balls, and squeeze until it's on
it's knees.

And now we dance like soldiers on the battlefield the
only triumph in a moment of glory.
Crack your head open and sue somebody.
Cop a feel on a punk rock girl in bondage pants.
And Now We Dance.

You are just a speck in a universe of turds.
Silenced by conspirators, not another word.
With ozone trees depleted, you choke on malathion.
Nothing fucking matters, so what's the use in tryin'?

And now we dance like warriors on the victory trail only
triumph in a moment of glory.
Crack your head open and sue somebody.
Come on and do push ups just like Jack Pallance.
And Now We Dance.

Never join the ranks of the kiss ass suit and tie.
Or the stinking hippie, the future is a lie, nothing's
worth a fuck,
Fuck ain't worth a shit we're only gonna die, here's how
we deal with it.

And Now We Dance like warriors on the battlefield only
triumph in a moment of glory.
Crack your head open and sue somebody.
Cop a feel on a punk rock girl in bondage pants.
And Now We Dance we dance like warriors on the
battlefield
Only triumph in a moment of glory.
Crack your head open and sue somebody.
Come on and do one handed push ups like Jack
Pallance.
And Now We Dance.
