big brother, he is a watching - watching me and you -
big brother, is a watching - and he'll know your every
move - their really really gonna do it to you - just wait
and see - they'll be telling us what to do - and they'll
want us to die laughing - and they'll want us to die
laughing - johnny robot, he can save us - cause he
knows just what to do - johnny robot, listen up - johnny
sako's coming for you - johnny sako's on his wrist radio
- to thwe mountain hideaway - johnny robot, please
wake up - we need you right away - we need you right
away
