judy hates me,
stepped on her cat
i hate judy,
she's gettin' too fat
sally left me,
i was gettin' kinda cold
i left sally,
she was gettin' kinda old

oooh, oooh, what's a guy to say?

tawana don't like
the tapes a bought
boo-yah tribe,
new kids on the block
tracy says my car is dumb
i think there's more
where she came from

oooh, oooh,
what's a guy to say?
girls are turning 18 every day

rachel turned 18 just last week
kamie turned 18, looks so sweet
jenny's lookin' sorry at 29
but her sister turned 18
just in time
