no respect
for a land-holding man
only scum
who pay when they can
free-loaders
that hate what i am
then beg me to fix their can

ugly harleys on the front lawn
i come by
to turn the sprinklers on
just tryin' to keep up the place
get a knuckle sandwich
right in my face

kill my tenant,
he ain't worth the rent

section 8
pays most of their rent
but they can't handle
the 20 percent
selling speed
just ain't what it's been
wanna see me
make some homeless men?

rent's in the mail,
you know that it's not
i got filth attempting to squat
think i'm kidding,
'til someone gets shot
i love slow targets on pot

just tryin' to get appreciation
some return on my investment
go buy your own home
tom vu will show you how to
own big money and a yacht

how i long for medieval times
right to deflower virgins

was mine
no coalitions
telling me what to do
no pesky pinko ACLU

you can lynch
whomever you like
just be careful
where you park that bike
i'm not impressed
by pigs with no class
so get off your ass
and go cut the grass
