"So Long, Farewell"

there's a sad sort of clanging from the clock in the hall,
and the bells in the steeple too. and up in the nursery
an absurd little bird is popping out to say cuckoo.
regretfully they tell us, but firmly they compel us to say
goodnight to you. so long, farewell, auf wiedersehen,
good night i hate to go and leave this pretty sight. so
long, farewell, auf wiedersehen, adu. adu adu to you
and you and you. so long, farewell, au revoir, auf
wiedersehen i'd like to stay and taste my first
champagne. so long, farewell, auf wiedersehen, good
bye i leave and heave a sigh and say goodbye,
goodbye. i'm glad to go i can not tell a lie. i flit, i float, i
fleety flee i fly. the sun has gone to bed and so must i
so long farewell afedersen good bye, good bye good
bye good bye
