(Chorus:)

Some people call me a teenage idol,

say they envy me;

they got no way of knowin',

how lonesome I can be.

I need somebody to be my baby,

to tell my troubles to;

got no time to find her,

cause I'm just passin' through.

(Bridge:)

I travel around from town to lonesome town,

guess all I'll be is a rollin' stone;

fortune and fame, everybody knows my name,

that won't mean a thing if I'm all alone, woah!

(Chorus)

(Bridge)

(Chorus)

I get no rest when I'm feelin' weary,

pack my bags and go;

I gotta go tomorrow,

and go and do my show.

I wanna share myself, oh,  
just spread myself around with someone, anybody,  
one of God's creatures-cause I'm so lonesome.
