I don't need much attention anymore

Sometimes I cringe at the thought of the things that I
did before

And I don't wanna take up all your time

Sometimes I cringe at the thought of being left behind

She said "You're not the boss of me"

And I don't wanna be

Just some guy trying to be something that I'm not

CHORUS

Do you wanna kick it, wit me?

I wanna kick it with you

Do you wanna kick it, wit me?

I wanna kick it with you

Everyone has something for you now

And I know, well I hope that I one be one of the crowd

If you feel that I am out of line

Well I hope that you don't, but I won't wait in line

I have learned not to offer much advice

Who am I? Just a guy, like I know how to run your life

Well I guess I'll tell you who I am

I'm a man with a plan make you say goddamn

She said "You're not the boss of me"

And I don't wanna be

Just some guy trying to be something that I'm not

CHORUS X2

And everybody's got something new to offer you

And all the wonderful things that they can do

I keep it simple- I just wanna kick it wit you
