I'm always watching  
I've been living like this  
All my life  
I've changed my mind  
From outside  
That I want in  
Take you by surprise

When you do my in  
Takes an inside job to make it easy  
Takes an inside job to make it easy  
When it's hard

When it's hard  
It takes an inside job  
To really get things done  
You got to get inside  
To make the changes come  
You come around, You call out loud

And hold me tight, til the shit comes down  
Takes an inside job to make it easy  
When it's hard  
When it's hard

Takes an inside job to make it easy  
Oh! Let me in, Let me in  
Oh!  
Come on Let me in, Let me in  
Takes an inside job to make it easy when its hard  
Let me in, Yeah  
You gotta let me in  
Come on Let me in  
Takes an inside job to make it easy when it's hard  
Takes an inside job to make it easy when it's hard  
Takes an inside job to make it easy when it's hard  
Takes an inside job to make it easy when it's hard
