When I look in the mirror  
In front of me  
In any old mirror  
That's in front of me  
Trouble, trouble  
Is all I see

The shadow I cast  
Is dark and long  
Beware of my shadow  
It's dark and long  
When I turn your corner  
You best be gone

Since the day of my birth  
I've known I wasn't right  
Ooh, ooh, ooh  
I'm not right  
Got something awful  
Living inside

Oh look out

Well, I'm at the end of my rope  
And the end of my days  
At the end of my rope  
At the end of my days  
Gonna storm the pearly gates  
And make them pay
