Let It Slide

=====

Let it slide (x 4)

They can make it sound so nice,

Everybody's got a price!

oh oh oh oh!

Give it away (x 4)

No body is here to stay

They own you,

To the Grave!

oh oh oh oh!

Try and hide (x 4)

Everybody's got a price,

They can make it, sound so nice!

oh oh oh oh!

Heal the pain (x 4)

They own you to the grave,

nobody's here to stay!

oh oh oh oh!
