Let me let you  
Let me let you  
Let me let you  
Let me let you

Let me let you down  
Ooooh  
Let me let you down  
Ooooh  
Let me let you down  
Ooooh  
Let me let you down

Sitting pretty like a snake in the grass  
Got the world within my grasp  
All coiled up, ready to strike  
Give me a reason not to bite

It's your world, trying hard to fit in  
Think I would if I could only shed my skin

Let me let you  
Let me let you  
Let me let you  
Let me let you

Let me let you down  
Ooooh  
Let me let you down  
Ooooh  
Let me let you down  
Ooooh  
Let me let you down  
Ooooh

Don't let them tell you you're no fun  
Don't let them tell you that you're too young  
Don't be afraid now, come a little closer  
I'll show you how it's made, I'll make you feel older  
I'll give you knowledge beyond your days  
Daddy, daddy, wash me down with your sweet tears

Let me let you  
Let me let you  
Let me let you  
Let me let you

Let me let you down  
Let me let you down  
Let me let you down  
Let me let you down  
Let me let you down  
Let me let you down

Let me let you down
