Make a hole  
Make it wide  
Make a hole  
Make it wide

Make it now  
Make it now  
Make it now  
Make it now

I'm so far from here  
I'm so far from here  
I'm so far from here  
I'm so far from here right now

Make me whole  
Make me right  
Make me whole  
Make me right  
Make it now  
Make it now  
Make it now  
Make it now

Behind these walls  
Locked up tight  
No more darkness  
No room for light

Speak to me

I'm so far from here  
I'm so far from here  
I'm so far from here  
I'm so far from here right now
