(We're gonna do it, like, with drums... a bunch of drum stuff)

Hey, all you college girls  
Hey, all you college boys  
Don't forget about us

Hey, all you college boys  
And all you college girls  
Don't forget about us

Take it, Stevie

We love college radio  
We love college radio  
Don't forget about us

Hey, music director  
Hey, program director  
Don't forget about us  
Don't forget about us  
(Take it, Mark)  
Don't forget about us  
Don't forget about us  
(Take it, Mark)  
I'm gonna take it, I'm gonna take it

Please, please, please don't forget about us

(Excuse me while i kiss the sky)
