Who'll be the next in line?
Who'll be the next in line for a heartache?
Who'll make the same mistakes I made over you?

Who'll be the next in line?
Who'll be the next in line for you?

Who'll be the next in line?
Who'll be the next in line to watch your love fade?
Or your affections finally fade away?

There'll be no use in sighing
Who'll be the next in line for you?

One day you'll find out when I'm gone
I was the best you had
I was the one who gave you love

Who'll be the next in line?
Who'll be the next in line for a heartache?
Who'll make the same mistakes I made over you?

There'll be no use in sighing
Who'll be the next in line for you?

One day you'll find out when I'm gone
I was the best one you had
I was the one who gave you love

Who'll be the next in line?
Who'll be the next in line for a heartache?
Who'll make the same mistakes I made over you?

Who'll be the next in line?
Who'll be the next in line for you?
For you?
