You give me the creeps (crucifucks)
Gimme your payback**

**this line should read:
"get off my back"

I'm not gonna take it
Gimme your money
I don't have to make it
Get out of my way
I am going to be sick
Who do you think you are
..... [people looking too far]***

*** this line should read:
"i hope you're dead before you get too far"
If you're so fuckin' clever
Why is everyone laughing at you
Are you really

.....****

****this line should read:
"are you really going to control us?
That's something we'd like to see you try to do."
